## 2000 Flowering Calendar

Sorted alphabetically by plant's common name

B=Blue, G=Green, O=Orange, Pi=Pink, Pu=Purple, R=Red, W=White, Y=Yellow

\*Note: The flowering dates listed below are for 2000. Dates of flowering vary yearly because they are precipitation dependent. Precipitation in inches is listed below.

Common Name	Flower color	Species and genus	Family	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec
				0.8"	0.3"	1.09"	0.09"	0.34"	0.27"	0.1"	0.85"	0.25"	1.26"	0.25"	0.6"
Annual Wirelettuce	Pi, Pu	<i>Stephanomeria exigua</i>	ASTERACEAE (Sunflower)												
Apache Plume	W	<i>Fallugia paradoxa</i>	ROSACEAE (Rose)												
Basin Daisy	Pi, W	<i>Erigeron pulcherrimus</i>	ASTERACEAE (Sunflower)												
Bastard Toadflax	W	<i>Comandra umbellata var. pallida</i>	SANTALACEAE (Sandalwood)												
Beakpod Nippetwist (Twistflower)	W, Pu	<i>Streptanthella longirostris</i>	BRASSICACEAE (Mustard)												
Bigelow Aster	Pi, Pu	<i>Machaeranthera bigelovii</i>	ASTERACEAE (Sunflower)												
Bindweed (Exotic)	W	<i>Convolvulus arvensis</i>	CONVOLVULACEAE (Morning Glory)												
Blackbrush	Y	<i>Coleogyne ramosissima</i>	ROSACEAE (Rose)												
Blue Penstemon (Dusty)	B	<i>Penstemon cyanocaulis</i>	SCROPHULARIACEAE (Figwort)												
Boxelder	G & or tiny	<i>Acer negundo</i>	ACERACEAE (Maple)												
Broadleaf Milkweed	W	<i>Asclepias latifolia</i>	ASCLEPIADACEAE (Milkweed)												
Broom Groundsel	Y	<i>Senecio spartioides var. multicapitatus</i>	ASTERACEAE (Sunflower)												
Canyonlands Biscuitroot	Y	<i>Lomatium latilobum</i>	APIACEAE (Carrot)												
Cave Primrose	Pi, Pu	<i>Primula specuicola</i>	PRIMULACEAE (Primrose)												
Claretcup	R	<i>Echinocereus triglochidiatus var. melancanthus</i>	CACTACEAE (Cactus)												
Cliffrose	W	<i>Purshia mexicana var. stansburiana</i>	ROSACEAE (Rose)												
Common Globemallow	O	<i>Sphaeralcea coccinea</i>	MALVACEAE (Mallow)												
Common Rockcress (Pretty)	Pu	<i>Arabis perennans</i>	BRASSICACEAE (Mustard)												
Corymbed Buckwheat (Fremont's)	W	<i>Eriogonum corymbosum var. corymbosum</i>	POLYGONACEAE (Buckwheat)												
Crescent Milkvetch	Pu	<i>Astragalus amphioxys var. amphioxys</i>	FABACEAE (Pea)												
Cushion Buckwheat	W	<i>Eriogonum ovalifolium</i>	POLYGONACEAE (Buckwheat)												
Death Camas	W	<i>Zigadenus vaginatus</i>	LILIACEAE (Lily)												
Desert Blazing Star	Y	<i>Mentzelia sp.</i>	LOASACEAE (Stickleaf)												
Desert Phlox	W	<i>Phlox austromontana</i>	POLEMONIACEAE (Phlox)												
Desert Trumpet	Y	<i>Eriogonum inflatum</i>	POLYGONACEAE (Buckwheat)												
Dock (Canaigre)	G to R	<i>Rumex hymenosepalus</i>	POLYGONACEAE (Buckwheat)												
Dwarf Evening-Primrose	W	<i>Oenothera caespitosa var. caespitosa</i>	ONAGRACEAE (Evening Primrose)												
Dwarf Lupine	B, Pu	<i>Lupinus pusillus var. pusillus</i>	FABACEAE (Pea)												
Dwarf Mountain-Mahogany	G and or tiny	<i>Cercocarpus intricatus</i>	ROSACEAE (Rose)
