EXOTIC PLANTS

Compiled by Charlie Schelz / Biologist
Steve Budelier / Vegetation Specialist
January 2000

Family and Name	Common Name	Threat	Loc.
Amaranthaceae			
<i>Amaranthus albus</i>	Tumble Pigweed		BC
<i>Amaranthus blitoides</i>	Prostrate Pigweed		ABCH
<i>Amaranthus retroflexus</i>	Redroot Pigweed		B
Asteraceae			
<i>Arctium minus</i>	Burdock		
<i>Centaurea repens</i>	Russian Knapweed	Noxious	A CH
<i>Centaurea virgata ssp. squarrosa</i>	Squarrose Knapweed	Noxious	
<i>Cichorium intybus</i>	Chicory		H
<i>Cirsium arvense var. horridum</i>	Canada Thistle	Noxious	BC
<i>Cirsium vulgare</i>	Bull Thistle		A C
<i>Lactuca serriola</i>	Prickly Lettuce		A CH
<i>Sonchus asper</i>	Spiny Sow-thistle		ABC
<i>Taraxacum officinale</i>	Common Dandelion		ABCH
<i>Tragopogon dubius</i>	Yellow Salsify		ABCH
<i>Xanthium strumarium v. canadense</i>	Common Cocklebur		ABC
Bignoniaceae (Catalpa)			
<i>Catalpa bignonioides</i>	Common Catalpa		A C
Boraginaceae (Borage)			
<i>Cynoglossum officinale</i>	Houndstongue		A
Brassicaceae (Mustard)			
<i>Alyssum alyssioides</i>	Alyssum		C
<i>Barbarea vulgaris</i>	European Wintercress		C
<i>Capsella bursa-pastoris</i>	Shepherd's Purse		
<i>Chorispora tenella</i>	Musk Mustard		A
<i>Conringia orientalis</i>	Hares-ear Mustard		A C
<i>Descurainia sophia</i>	Flixweed		A CH
<i>Lepidium campestre</i>	Fieldcress		H
<i>Lepidium latifolium</i>	Perennial Pepperweed	Noxious	BC
<i>Lepidium perfoliatum</i>	Clasping Pepperweed		A CH
<i>Malcolmia africana</i>	African Mustard		ABC
<i>Nasturtium officinale</i>	Watercress		AB
<i>Sisymbrium altissimum</i>	Tumbling Mustard		ABC
<i>Sisymbrium irio</i>	London Mustard		B

Chenopodiaceae (Goosefoot)

<i>Atriplex heterosperma</i>	Two-seed Orach	
<i>Atriplex rosea</i>	Tumbling Orach	C
<i>Bassia hyssopifolia</i>	Five-hook Smotherweed	ABC
<i>Chenopodium album</i> var. <i>album</i>	Lambsquarter	ABC
<i>Chenopodium album</i> var. <i>berlandieri</i>	Pitseed Goosefoot	A
<i>Cycloloma atriplicifolia</i>	Winged Pigweed	A C
<i>Halogeton glomeratus</i>	Halogeton	A CH
<i>Kochia scoparia</i>	Summer-cypress	A C
<i>Salsola paulsenii</i>	Barbwire Tumbleweed	C
<i>Salsola pestifer</i>	Russian Thistle	ABCH

Convolvulaceae (Convolvulus)

<i>Convolvulus arvensis</i>	Field Bindweed	Noxious	ABC
-----------------------------	----------------	---------	-----

Elaeagnaceae (Oleaster)

<i>Elaeagnus angustifolia</i>	Russian Olive		A C
-------------------------------	---------------	--	-----

Fabaceae (Pea)

<i>Glycyrrhiza glabra</i>	Licorice		C
<i>Medicago sativa</i>	Alfalfa		A C
<i>Melilotus albus</i>	White Sweet Clover		ABC
<i>Melilotus officinalis</i>	Yellow Sweet Clover		ABC
<i>Phaseolus acutifolius</i>	Tepary Bean		H
<i>Phaseolus coccineus</i>	Scarlet-runner		H
<i>Phaseolus lunatus</i>	Sieva Bean		H
<i>Phaseolus vulgaris</i>	Kidney Bean		H
<i>Robinia psuedoacacia</i>	Black locust		A

Geraniaceae (Geranium)

<i>Erodium cicutarium</i>	Storksbill		ABCH
---------------------------	------------	--	------

Lamiaceae (Mint)

<i>Marrubium vulgare</i>	Common Horehound		ABCH
--------------------------	------------------	--	------

Liliaceae (Lily)

<i>Asparagus officinalis</i>	Asparagus		A C
------------------------------	-----------	--	-----

Malvaceae (Mallow)

<i>Malva neglecta</i>	Umbrella Mallow		C
<i>Gossypium hirsutum</i>	Upland Cotton		H

Moraceae (Mulberry)

<i>Morus alba</i>	White Mulberry		A C
<i>Morus rubra</i>	Red Mulberry		A

Plantaginaceae (Plantain)

<i>Plantago major</i>	Broadleaf Plantain		C
<i>Plantago lanceolatum</i>	English Plantain		H

Poaceae (Grass)

<i>Agropyron cristatum</i>	Crested Wheatgrass		ABC
<i>Agropyron desertorum</i>	Crested Wheatgrass		A
<i>Agrostis stolonifera</i>	Redtop		ABC
<i>Avena fatua</i>	Oats		B H
<i>Bromus inermis</i>	Smooth Brome		BC

Poaceae (cont.)

<i>Bromus japonicus</i>	Japanese Brome		BCH
-------------------------	----------------	--	-----

<i>Bromus rubens</i>	Red Brome	BC
<i>Bromus tectorum</i>	Cheatgrass	ABCH
<i>Dactylis glomerata</i>	Orchard Grass	AB
<i>Elymus elongatus</i>	Tall Wheatgrass	C
<i>Elymus hispidus</i>	Intermediate Wheatgrass	C
<i>Hordeum murinum</i>	Rabbit Barley	C
<i>Phleum pratense</i>	Timothy	ABC
<i>Poa bulbosa</i>	Bulbous Bluegrass	B
<i>Poa compressi</i>	Canada Bluegrass	B
<i>Poa pratensis</i>	Kentucky Bluegrass	A
<i>Polypogon monspeliensis</i>	Rabbitfoot Grass	ABC
<i>Polypogon semiverticillatus</i>	Water Bent	BC
<i>Secale cereale</i>	Cultivated Rye	A
<i>Setaria lutescens</i>	Pearl Millet	H
<i>Sorghum halepense</i>	Johnson Grass	Noxious C
<i>Triticum aestivum</i>	Wheat	A
Polygonaceae (Buckwheat)		
<i>Polygonum aviculare</i>	Knotweed	B
<i>Polygonum lapathifolium</i>	Willowweed	A
Ranunculaceae (Buttercup)		
<i>Ranunculus testiculatus</i>	Bur Buttercup	ABCH
Rosaceae (Rose)		
<i>Prunus persica</i>	Peach	C
Salicaceae (Willow)		
<i>Populus alba</i>	White Poplar	ABC
<i>Populus x canadensis</i>	Carolina Poplar	A C
Scrophulariaceae (Figwort)		
<i>Linaria dalmatica</i>	Dalmation Toadflax	A H
<i>Verbascum thapsus</i>	Woolly Mullein	A C
<i>Veronica anagallis-aquatica</i>	Water Speedwell	B
Solanaceae (Nightshade)		
<i>Solanum rostratum</i>	Buffalobur	C
Tamaricaceae (Tamarisk)		
<i>Tamarix chinensis</i>	Tamarisk, Salt Cedar	ABCH
Ulmaceae (Elm)		
<i>Ulmus pumila</i>	Siberian Elm	A C
Zygophyllaceae (Caltrop)		
<i>Tribulus terrestris</i>	Goathead; Puncturevine	ABCH

LOCATION

- A = Arches National park
- B = Natural Bridges National Monument
- C = Canyonlands National Park
- H = Hovenweep National Monument
